Why Mevo? 🤔

- The world has a car(s) problem
 - Inefficient/Cost
 - Environmental/Health
- More beautiful and liveable cities
- A better alternative: Savings, convenience, environmental

Brilliant. Thank you so much - you guys are stars. I'm an Island bay Resident without a car, and until now, I biked or walked into Newtown to collect a Mevo when I needed to drive somewhere.

Any plans in Dunedin? Love what you guys are doing. 😊
Kind regards,

I'd love to have it in Jville and Tawa.

We'd probably sell our car and just use Mevo!
